

Dear conference attendees and sponsors,

After conversations with public health officials, growing concerns from our planning board, speakers and attendees, we believe the risks associated with holding the 2020 Alaska Surveying and Mapping Conference at this time are too high. We've made the difficult decision to cancel this event, and hope you'll understand the precautions we're taking.

Our conference team will begin working towards the refund of your registration fees. In the meantime, please don't hesitate to email us if you have any questions or concerns.

Thank you for all the tremendous support and guidance from our sponsors, speakers and planning committee. We look forward to future collaboration and hope you'll join us once the current situation with COVID-19 stabilizes.

Sincerely,

David Parret
2020 ASMC Conference Chair
